

Dear Parents/Guardians:

Welcome to Believers Campus! We are so excited to have the opportunity to care for your children. Our Nursery staff is dedicated to serving the needs of our parents and families by providing children a safe and Christ-like environment that ensures peace-of-mind during your time of praise and worship.

The information attached will help you make the most of your child's time in the nursery. The first attachment is a "Child Information Form." Please fill this out and return it to the nursery staff. Should you have multiple nursery-age children, we are happy to provide additional forms for them. Please be aware that we may ask you to update this every few months, just to be sure we have the most accurate information on hand to care for your child. The second attachment is the "Parental/Guardian Responsibilities" policy out of our Policy and Procedure Handbook. This includes basic information including our sick, medication, and food policies.

The nursery is open every service, and is able to begin receiving children 15 minutes prior to service time. Upon sign-in, your child will be assigned a number which will be placed on his/her back by sticker, along with his/her name. You will receive a lanyard with this number to take with you during the service. In order for your child to be picked up, you must present the correct numbered lanyard. This "number system" is for the safety and security of our children. Should we need a parent/guardian during service, the assigned number of the child will be flashed on the large screens in the auditorium.

We are confident that you will enjoy your experience at Believers. If we can be of any assistance or answer any questions regarding the nursery, we are happy to hear from you.

Sincerely,

Believers Nursery Committee
